Contact Dave Cline for more info at kb9zmf@gmail.com

Your help is needed!!

You will notice that the newsletter is only 1 page! I would like to see it at least 4 pages every month. However, I received only 1 submission!

I would love to see people who can write an article each month..maybe on constructing small indoor antennas for 2 meters, making your own antennas for not only VHF frequencies, but HF frequencies as well. Maybe step by step directions on installing connectors. Believe it or not, there are probably some newbies who might not know.

Help out your newsletter!!! Deadline is the last Friday of every month!! 73.
